ACCESSORIES AND FEATURES

Charcoal Grill

A built-in BBQ charcoal grill lets you enjoy delicious grilled meals right on the water. Easy to use and perfect for gatherings, it adds a fun, culinary experience to your boating adventure.

Anchor

The boat comes equipped with an anchor for stability when you want to stay in one spot. Ideal for lakes or bays, it's easy to deploy and store, providing peace of mind during your time on the water.

Life Jackets

Life jackets are included for everyone on board, ensuring safety and peace of mind. These essential devices are easy to wear and offer reliable protection during your boating excursions.

Life Buoy

A lifebuoy is on hand for emergencies, offering a quick and effective way to assist someone in the water. Its bright color makes it easy to spot, ensuring safety is never compromised.

Fire Extinguisher (ABC Powder)

The BBQ Party Boat includes an ABC powder fire extinguisher, ideal for handling electrical and other types of fires. This safety feature ensures quick and effective protection, keeping passengers safe during their BBQ experience.
